# ABOUT US

**Drive Medical is one of the leading manufacturers and distributors of durable medical products in the world today, with distribution centres in the USA, UK and Mainland Europe we supply on a global basis.**

## DRIVE MEDICAL UK

From our 50,000 square foot distribution centre in Elland, West Yorkshire we aim to provide an unparalleled customer service, with rapid order processing and fast delivery to a network of dealers within UK, European and International markets.

Through continuous research into consumer requirements and a clear focus on quality, a careful selection and development process has occurred resulting in an innovative and quality range of mobility and healthcare products enabling consumers to live more independent lifestyles.

We continually strive to develop new products for our range, which currently includes: Mobility Scooters and Accessories, Wheelchairs and Accessories, Powerchairs and Accessories, Walking Aids, Household Accessories, Rise & Recline Armchairs, Bathroom Accessories and Bedroom Accessories.

All of our products conform to British and European Medical Device regulations as required. As a business we possess both ISO9001 and EN46001 Accreditation. To support our extensive range of products we also have a friendly and fully trained customer care department on hand to offer help and advice on any of our products. Our products are supplied through a national network of trusted dealers.

For further information on any of our products either visit our website **[www.drivemedical.co.uk](http://www.drivemedical.co.uk)** or call us on **+44 (0) 1422 314488**

## BUDGET STEEL WHEELCHAIR

Self Propel Model

Available with 24" self propel and 12<sup>1</sup>/<sub>2</sub>" transit wheels, the budget steel wheelchair is the entry model into the wheelchair market without compromising on quality.

It has some features normally found on more upmarket models such as solid tyres and height adjustable footplates.

### FEATURES

- The budget steel wheelchair is a cost effective and lightweight entry into the Drive Medical wheelchair range.
- It has a robust steel frame and is simple to operate.
- Wipe clean vinyl upholstery and padded armrests.
- Removable and height adjustable footrest.
- All round puncture proof tyres.
- Parking brakes.
- Choice of 24" self propel or 12<sup>1</sup>/<sub>2</sub>" transit rear wheels.

## POWERSTROLL

**PowerSTROLL**

*"Ingenious docking station for rapid insertion or removal."\**

**Dual Wheel Version**

The Powerstroll will turn most manual wheelchairs into a carer controlled powered wheelchair. It takes the strain out of pushing a heavy wheelchair and makes easy work of hills, ramps and uneven surfaces. Its unique design means that it can be fitted or removed very easily in seconds. The Powerstroll motor is safely attached to the bottom of the wheelchair frame, by using bracketry with a "one click" docking station. It features a carry handle designed to aid installation.

**Single Wheel Version**

**User friendly hand control**

**Easy attachment**

**Powerstroll with reverse  
NOW AVAILABLE**

**Simple Battery Removal**

## FEATURES

- It is very portable, making transportation simple.
- Fits most standard wheelchairs up to 20" seat width.
- User friendly hand control with variable speed dial, trigger and key ignition.
- Allows a speed of up to 4mph.
- Travels up to 10 miles per full battery charge\*\*.
- Stylish battery bag with ergonomic carry handle is simple to remove.
- Weight capacity 135kg (21st) or 180kg (28st).
- Maximum gradient: 16% (1:6).
- Comes complete with a Carry Holdall with shoulder strap.
- Simple to manoeuvre and reverse.
- Contains a powerful DC motor, capable of coping with most terrains.
- Ingenious docking station for rapid insertion or removal (\*pat pending - not PWCPP004).

## PUNCTURE PROOF WHEELCHAIR TYRES

Experience the convenience and comfort of these puncture proof tyres. They can last up to 4 times longer with similar ride characteristics as a pneumatic tyre, maintaining a constant pressure of approximately 60psi for the life of the tyre. No water is absorbed by the tyre, and polyurethane tyres do not mark the floors like rubber tyres.

### Tread Patterns

- U1**  
The best selling standard tyre pattern. The deeper tread makes this pattern a versatile general purpose tyre.
- U4**  
An all purpose tyre with lightly treaded herringbone pattern. Suitable for both indoor and outdoor use as well as for sporting activities (24x1" U4).

CODE	DESCRIPTION
UT001	Tyres - 24x1 <sup>3</sup> / <sub>8</sub> " U4 Tread Pattern

UT023	200x32mm castor with 45mm hub
UT024	200x32mm castor with 60mm hub
UT025	200x50mm castor with 60mm hub

The 200 x 50mm castors are also suitable for powerchairs.

*"Avoid punctures with a choice of solid tyres."*

# WHEELCHAIR ACCESSORIES

## BACK PACK SHOPPING BAG

This attractive zip top shopping bag is fitted with additional straps so it can be looped over the push handles of a wheelchair. Easily removed when required with an additional shoulder strap also available.

CODE	DESCRIPTION
5021GY	Bag
1946	Strap

## WHEELCHAIR / SCOOTER / POWERCHAIR SEAT BAGS

These seat bags have been designed to fit on the side arms or over the backrest of most Wheelchairs, Powerchairs or Scooters. They come with built-in zippered storage enclosures. Available in small and large size options.

CODE	DESCRIPTION
SB001N	Seat Bags - Small Navy
SB001M	Seat Bags - Small Maroon
SB002N	Seat Bags - Large Navy
SB002M	Seat Bags - Large Maroon

## WHEELCHAIR PANNIER BAG

This very useful bag attaches to the wheelchair by the same screws that secure the armrest pad to the frame. Ideal for storing the things you carry around regularly. A screwdriver is required for fitting.

**CODE: 2552**

## COMFORT HOLDALL

**CODE: 3831**

This multipurpose storage bag incorporates a weatherproof zip top holdall which fits neatly behind the chair back for extra comfort, and an extended flap at the bottom of the back pad which bridges the gap between the back and seat panels, preventing draughts onto the base of the spine. 16" wide. Blue/Black only.

## WHEELCHAIR UNDERSEAT BAG

This very practical storage bag is kept out of the way under your Wheelchair seat. Made from reinforced nylon it measures 34.5cm x 15cm x 12.5cm and comes in Navy. Ideal for items you need to keep with you.

**CODE: WB001**

## WHEELCHAIR PILLOW CUSHION

This deep comfort 'T' Shaped Wheelchair Pillow Cushion has been designed to provide great comfort whilst sitting for long periods. It reduces friction on sensitive areas of the body. The slim fit will allow it to fit on most wheelchairs and the navy blue coloured fabric is durable and hard wearing.

Filled with soft flame retardant hollow fibre with Polyester cover. Overall width 128cm x 130cm long.

**CODE: CU009**

## SAFETY STRAPS

Available for use with Wheelchairs or Scooters (must not be used in vehicles travelling in excess of 8mph). The safety strap is fitted to the backrest of the wheelchair or the armrests of most modern scooters. It fastens around the waist with a double adjustable snap lock fastener. A screw-driver may be required to fit.

**CODE: 716**

## ELEVATING LEG REST RANGE

- Suitable for users who need to elevate legs or whom simply require a more comfortable footrest.
- Infinite angle adjustment.
- One touch operation.
- Height adjustable calf pad and footrest.

\*See wheelchair range for product codes - page 7 or 13

## UNIVERSAL WHEELCHAIR HEADREST

The universal wheelchair headrest is suitable for retrofitting to most wheelchairs with push handles up to 1" (25mm) diameter.

It features height, width and angle adjustment and an adjustable padded headrest cushion. It is designed to help aid the posture and comfort of the wheelchair user. **It should not be used as part of a restraint in a motor vehicle.**

- 36(W) x 7(D) x 12cm(H) – excluding bracketry
- 14<sup>1</sup>/<sub>4</sub>"(W) x 2<sup>3</sup>/<sub>4</sub>"(D) x 4<sup>3</sup>/<sub>4</sub>"(H) – (headrest only)
- Suitable for wheelchair with seat widths 16" (40cm) to 22" (55cm).

CODE

HEADREST

## SMART RAMPS

Due to the Disability Discrimination Act and customer demand we have extended our range of ramps with the addition of the new Smart Ramp. It has been designed for use with wheelchairs, powerchairs and scooters. The ramps can be used to obtain safe access to motor vehicles, buildings and other inaccessible locations.

The Ramps are a generous 76cm (30") wide and are suitable for PMVs of up to 70cm (27<sup>1</sup>/<sub>2</sub>") in width. When folded out they are 184 (6ft) long.

CODE

R008

## FEATURES

- Lightweight aluminium construction.
- Folds in half for ease of storage and handling.
- Carries like a suitcase when not in use.
- Comfortable carry handles.
- Anti-slip high traction surface.
- Striking metallic colour finish.
- The ramps have a safe weight limit of 200kg.

## CHANNEL RAMPS

These telescopic two-piece ramps extend to 5' or 7' and have been designed for use with Manual Wheelchairs, Powered Wheelchairs or Scooters. Easy to use, lightweight with a slip resistant coating. Maximum carrying capacity 600lb R002: 71 x 26 x 6.5cm, R003: 100 x 26 x 6.5cm when folded.

CODE	DESCRIPTION
R002	5' Channel Ramp

### RAMP BAGS ALSO AVAILABLE

## ROLL UP RAMPS

These excellent Roll Up Ramps provide a quick and easy solution to obtain access to buildings and vehicles. They have been designed for scooters and wheelchairs and can be used as a portable or fixed ramp. They roll up to a compact size and come complete with bag for easy storage and transportation. 300kg (47st) weight capacity.

CODE	DESCRIPTION
R004	3 foot roll-up ramp
R005	5 foot roll-up ramp

# WHEELCHAIR ACCESSORIES

## WHEELCHAIR / ROLLATOR UMBRELLA

Seeking protection from the sun and rain can be difficult when you are using a wheelchair or rollator for obvious reasons, but this new product can provide the solution. It's a fully adjustable umbrella that attaches to either of these mobility aids with a specially made bracket. It can be easily set into a number of different positions, its capable of shielding a carer and a wheelchair user and can be easily folded down or removed completely when no longer needed.

CODE	DESCRIPTION
UMB001	Wheelchair / Rollator Umbrella

## WHEELCHAIR COVERALL

**HEAVY DUTY - complete head to toe weather protection.**

This fully shower proof nylon Coverall with hood is easy to put on and take off with elastic around the back and feet and a neck zip. Slots in the back for the handles allow full carer control. Full protection from light summer showers or winter blizzards. Keep one in your comfort holdall for those unexpected showers.

**Colours Available: ROYAL BLUE or MAROON**

CODE	DESCRIPTION
605	Wheelchair Coverall - Small
622	Wheelchair Coverall - Standard (5' to 5'6")
693	Wheelchair Coverall - Large (5'7" to 6'2")

## COVERALL WITH SLEEVES

**HEAVY DUTY WITH SLEEVES**

The Coverall with sleeves offers the same protection as the Coverall but provides greater independence for people who want to propel themselves. Elasticated cuffs.

**Colours Available: ROYAL BLUE or MAROON**

CODE	DESCRIPTION
582	Coverall With Sleeves - Standard (5' to 5'6")
513	Coverall With Sleeves - Large (5'6" to 6')

## WHEELCHAIR CAPE / COVER UP APRON

**WHEELCHAIR CAPE** This Heavy Duty Cape with hood has been designed for use in conjunction with the Wheelchair Cover. One size to suit all heights with a neckline zip, elasticated back and Velcro straps that can be fastened to the wheelchair frame to reduce draughts. The back panel fits over the chair and handles which protrude through slots in the back.

**COVER UP APRON** A lightweight alternative to the Wheelchair Cover made of heavy duty fabric providing protection from the elements for lower body and legs. The elasticated bottom fits neatly around the footplates in seconds and can be fitted without getting out of the chair. Two elastic straps prevent draughts. Keep one with you on those summer outings!

Colours Available **ROYAL BLUE** or **MAROON**

CODE	DESCRIPTION
819	Wheelchair Cape
999	Cover Up Apron

## WHEELCHAIR CAPE WITH SLEEVES / COVER

**CAPE WITH SLEEVES** Similar in design to the Wheelchair Cape with elasticated cuffs. This is ideal for people who want to propel themselves or want greater independence.

**WHEELCHAIR COVER** This quilted nylon Cover provides outdoor protection from showers and excellent warmth. It has a fully washable Thermalux lining which is completely draught-proof. A fly front conceals a full length zip, the back panel reaches the top of the wheelchair with elastic loops which fit over the handles and keep the Cover in place. No more cold, stiff legs - an essential for all Wheelchair users!

CODE	DESCRIPTION
749	Wheelchair Cape with Sleeves
892	Wheelchair Cover M (hip 37" to 43")
743	Wheelchair Cover L (hip 44" to 49")
914	Wheelchair Cover XL (hip 50" to 56")

## MIGO ROLLATOR

*"Excellent as a rollator and a shopper."*

CODE	DESCRIPTION
WA015	Migo Rollator - Packaged in Twos

### FEATURES

- The one-handed folding mechanism developed by Drive Germany enables the Migo Rollator to be folded and unfolded safely and easily.
- Flip-up seat activation allows quick and comfortable handling.
- The folding mechanism is securely locked in the seat catch, thus preventing collapse.
- The handle in the large seat has a dual function as a hand grip when the rollator is folded, and as a hand grip to pull the rollator when it is used as a shopper.
- The Migo is almost 25% lighter than similar steel rollators.
- Reflectors are provided in several places for enhanced road-safety, especially at dusk and dark winter periods. Tested for product safety.
- By its unique functionality, overall handling and especially with regard to its manoeuvrability.
- Maximum user weight 130kg (20st).

Made from sturdy tubular steel frame.

**CODE: PS001**

## FOOT STOOL

**CODE: FS001**

- Put your feet up and relax with the Comfy Adjustable Footstool.
- Foam padded foot and leg rest.
- Height and angle adjusts to your sitting and leg position.
- Covered in an attractive beige dralon style fabric.

## OVER BED / CHAIR TABLES

These handy and economical Overbed Tables are ideal for use in the bedroom or the lounge and come with separate legs - excellent for wheelchair users. We have three models available:

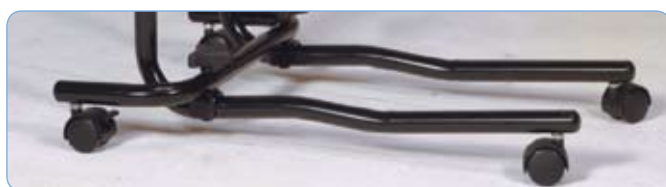

Model 1 has the benefit of legs which can be used with a deep base divan bed. All the tables are height and angle adjustable.

They are simple to assemble and have a melamine coated top and all round lipped edging which is ideal for preventing your magazine, jigsaw etc from slipping off the edge. The four castor model also has brakes fitted onto the castors.

The new Deluxe Twin Top Table also has four castors and features the small side table providing excellent space for a drink or other smaller items.

**Model 1: Two Castors**

**Model 2: Four Castors**

**Model 3: Twin Top**

CODE	DESCRIPTION

948	82cm (32")	40cm (16")	74cm - 90cm (29" - 35")

## HANDY GRABBERS

These handy grabbers will make your life much easier when reaching for things off the top shelf or down on the floor. They are available in three different styles all with a soft tip for delicate items, special rubber jaws to prevent slipping, a magnetic tip and an easy action trigger designed to help with dressing.

Model 1 Featherweight: 26" length - weighs just 8oz.

Model 2 Long Reach: 32½" length.

Model 3 Folding: 21" length which folds quickly & easily for travelling.

No more struggling to bend down or reach up!

## RIVIERA BATHLIFT

*Riviera*  
*Bathlift*

### FEATURES

- Hygienic - The new backrest design with smooth, sealed surfaces is more resistant to dirt, making a bath lift easier and faster to clean.
- Easier - The new storage battery compartment is located in the centre directly behind the backrest, thus making it a lot easier to insert or remove the battery.
- Moving and handling - The bathlift is easily dismantled into two pieces, both of which include an integral handle for moving and handling.
- Practical - The new unlocking mechanism of the drive unit features a red unlock button - one simple push with your thumb is sufficient to fold and dismantle the bath lift.
- Safer - Due to an EMERGENCY-OFF button, which is integrated in the hand control, a more powerful storage battery offering even longer operating times, and a unique safety shutdown function.
- Space-saving - Flat backrest design for greater leg room.
- Attractive - The new, slim line design makes the bath lift even more attractive and adapts harmoniously to its surroundings.
- Reliable - Lifetime guarantee on frame and three years on battery and handset.
- Headrest and transfer aids available as an optional extra.

For many people, at some point in their life, bathing becomes difficult. The Riviera bathlift provides a fresh approach to this problem and enables a person to enjoy bathing again with confidence. The Riviera lifts, lowers and reclines easily and quietly and is designed to fit in most baths. It is easy to install, simple to operate and offers a person excellent comfort, safety, reliability and convenience.

# RESTWELL ADJUSTABLE BEDS

**All Restwell Adjustable Beds can be adjusted to your desired position thus providing you with the ability to maximise your comfort. The five fold adjustable base is innovative in design and adjusts to support the five key areas: knees, hips, back, neck and head.**

This range of beds makes relaxation and a good night's sleep an affordable and very comfortable reality. This superb quality range, manufactured in the UK, is available with an excellent choice of mattresses including the new Restwell Memory Foam.

When you consider that a typical person will spend a third of their life in bed it's no surprise that the quality of sleep enjoyed could directly relate to the type of bed slept upon.

Our range of beds has been developed in order to provide consumers with several High Quality options at a number of different price levels. Once you appreciate the benefits of sleeping on one of our electric adjustable beds the only decision you need to make is which one will suit your budget best.

From our 50,000 square foot distribution centre in Elland we hold a very large selection of beds in stock enabling our retail customers to receive a rapid delivery service and high quality after sales support.

We only use the finest quality materials during the production of our beds; be it the extremely reliable lift mechanism produced in Germany, the beautiful Belgian fabrics or the upholstery components utilised.

Our beds are produced in the UK by a team of expert craftsmen to an exacting standard

Once you realise what impact a Restwell adjustable bed can have on improving your life the only question you have to ask is "can you afford not to own one!"

We also offer a bespoke service where customers can choose from a range of options including drawers, massage function and heavy duty motors up to 22st (per side).

## MATTRESS RANGE

MATTRESS CROSS SECTION

- Velour Cover\*
- Restwell Memory Foam\*
- High Density Foam\*
- Non-slip Base Cover\*

\*Colours shown are for illustrative purposes only  
KEY

## MEMORY FOAM MATTRESS RANGE

### FEATURES

- Temperature responsive properties relax tensed muscles and promote pressure relief by conforming to the human body weight and shape.
- It eliminates the possible damage caused by body pressure, providing excellent neck and spine protection through natural spine alignment.
- Enhances better blood circulation and avoids soreness caused by the compression of nerves.
- Its ventilation pores also helps improve airflow.
- 7cm memory foam 15cm reflex foam.
- Anti allergy and dust mite resistance
- Suitable for all bed bases including electric adjustable beds
- Available in a full range of sizes.
- All mattresses in the range have a length of 200cm (79") and a height of 20cm (8").

## PREMIER MATTRESS

This firm density memory foam mattress features a zoned structure providing a smoother contour when used in conjunction with an Electric Adjustable Bed. It is Manufactured in the UK and has a quilted high quality fixed cover.

## VACUUM PACKED MATTRESS

This memory foam mattress has a removable velour cover that is machine washable. It is vacuum packed to make it into a small package that will conveniently fit into the back of a car for ease of transport. This helps save delivery charge and can be taken from the store immediately. When removed from its packaging its original size will be 95% resumed after 10 minutes and will be fully resumed within 3 hours.

CODE	DESCRIPTION
MFM0130C	Superb Mattress - 3'
RMATMF23	Memory Foam Mattress - 2'3"
RMATMF26	Memory Foam Mattress - 2'6"
RMATMF30	Memory Foam Mattress - 3'
RMATMF46	Memory Foam Mattress - 4'6"
RMATMF50	Memory Foam Mattress - 5'

## REFLEX FOAM MATTRESS

Our reflex high density foam is for those who prefer a softer feel than a pocket sprung mattress. Luxurious 100% Reflex Foam mattress, ribbed carefully to work in harmony with your body. It provides outstanding elasticity; this will help to evenly distribute your weight providing excellent comfort and support, however it does not mould to your contour like memory foam. This can be an advantage as memory foam retains heat therefore keeping you warmer sometimes excessively, however this is not the case for mattresses with reflex foam.

This completely filler-free mattress achieves the most outstanding levels of performance, shape retention and long term durability. Its unique construction ensures excellent mattress ventilation.

This mattress is covered with a premium quality, hypoallergenic, damask cover. This helps to prevent the risk of dust mites and allergies as well as offering a luxurious, yet supportive feel to the mattress.

All mattresses have a length of 200cm (79") and a height of 20cm (8").

CODE	DESCRIPTION
RMATRF23	Reflex Foam Mattress - 2'3"
RMATRF26	Reflex Foam Mattress - 2'6"
RMATRF30	Reflex Foam Mattress - 3'
RMATRF46	Reflex Foam Mattress - 4'6"
RMATRF50	Reflex Foam Mattress - 5'

## POCKET SPRUNG MATTRESS

The pocket sprung mattress works by each individual spring unit being enveloped in its own fabric casing. Each spring acts independently of the other springs, giving each sleeper their own level of support. Layered fillings surround this sprung system.

The pocketed mattress in a 3ft model features 450 individually nested springs, this is designed to give you the correct level of support.

The mattress is carefully upholstered, using hand tufting to secure the layers of selected fillings. It also features layers of non allergic fillings which may help in the relief of many ailments such as, asthma, sneezing, coughing and wheezing.

All mattresses have a length of 200cm (79") and a height of 20cm (8").

## MEMORY FOAM RANGE

Relieving stress and tension is crucial for everyone. Conventional pillows and cushions can restrict blood flow, cause pressure build up and pain. The Restwell range of visco-elastic memory foam products has been developed to provide excellent stress relieving comfort and support. Its thermo sensitive properties will shape according to body temperature and the pressure points of the body weight.

### BACKREST CUSHION

Helps you sit comfortably, even for prolonged periods of time and encourages natural spine alignment. Relieves back pain by reducing pressure on spine and coccyx. Attaches easily with elastic straps. Fits most car seats, office or chairs at home.

CODE: MFPTV140

### MINI TRAVEL PILLOW

Ideal for providing a comfortable good night's sleep and improves sleeping posture on trips. Gives firm back support and spinal relaxation. Relieves tension on neck and shoulders.

CODE: MFPTV200

### HEADREST BOLSTER

Supports your head and neck to relieve stress & strain while reading, napping or watching TV. Attaches easily on chair back with elastic straps.

CODE: MFPTV141

### BACKREST BOLSTER

The Backrest Bolster promotes natural spine alignment, it provides firm support and reduces the pressure on the spine whilst laying down. It is ideal for use in bed or on a couch to help relieve back pain. It is also highly recommended for pregnant women.

CODE: MFPTV142

## FEATURES

- Temperature responsive properties relax tensed muscles and promote pressure relief by conforming to the human body weight and shape.
- Provides excellent neck and spine protection and natural spine alignment as it eliminates the possible damage caused by body pressure.
- Enhances blood circulation and avoids soreness caused by the compression of nerves.

## U SHAPED TRAVEL PILLOW

This memory foam pillow supports head, neck and corrects the body posture. It is handy and great for use during travel to ease sore muscles and tension.

**CODE: MFPTV161**

## SEAT CUSHION

The cutout section helps to eliminate back pain and relieves pressure on spine & coccyx. It is also an excellent cushion to relieve discomforts from Haemorrhoids. Fits most car seats, office or chairs at home.

**CODE: MFPTV162**

## COMFORT OFFICE CUSHION

This backrest and seat rest is height adjustable, hence can be customised for personal comfort and support. The cutout section eliminates pressure on spine & Coccyx and discomfort from Haemorrhoids. Fits most car seats, office or chairs at home.

**CODE: MFPTV201**

## MAGIC SEAT CUSHION

This versatile cushion fits most chairs and is ideal for the office, home or car. It helps eliminate the effects of vibrations during driving and relieves neck and waist ache. Ergonomic contoured construction to relieve pressure caused by prolonged sitting. It is also available with an excellent heat and vibration function for optimum comfort. This is powered by simply plugging into the cigarette lighter(12v).

**CODE: MFPTV217A/B**

### SEAT HARNESS

Adjustable sling seat supports user that cannot stand completely on their own.

CODE	DESCRIPTION
CE1070S	Seat Harness - For use with KA 1200, KA 2200 and KA 3200
CE1070L	Seat Harness - For use with KA 4200

### FEATURES

- Aluminium Frame in bright colours.
- Height adjustable.
- Soft rubber wheels adhere to any surface and will not allow the Nimbo to slide backwards.
- One-directional rear wheels with aluminium ratchet and pin mechanism.
- Anti-Reverse override bracket disengages the one directional rear wheels and allows forward & reverse mobility.
- Front swivel wheels enhance manoeuvrability and ease of turning.
- Locking mechanism easily switches front wheels from swivel to non-swivel.
- Each wheel is independently adjusted.
- Skid resistant, non-marring and easy rolling wheels are ideal for indoor and outdoor use.
- Latex-free hand grips with flanged ends.
- Folds easily for convenient transporting.

## NIMBO FOREARM PLATFORM

Constructed of lightweight aluminium, the Nimbo forearm platforms are height and depth adjustable. The hand grips extend forward or back to the position needed, supinate, pronate and are angle adjustable. Each side is individually adjustable and allows custom positioning for each user. The contoured armrest is moulded in one piece with a flexible edge for added comfort and has Velcro straps to prevent arms from slipping. They can be mounted to the mounting bracket either towards the inside or outside of the walker for lateral adjustment. Spacers are included for additional lateral range.

CODE	DESCRIPTION
KA1035	Forearm Platform, for use with all Nimbo Posture Walkers

## TROTTER MOBILITY CHAIR

The Trotter is a lightweight portable positioning chair that provides transport solutions for parents and children. A wide range of options provide custom positioning for your individual needs and its simple adjustments allow the Trotter to grow with your child.

CODE	DESCRIPTION
TR 1200	Trotter 12"
TR 1400	Trotter 14"
TR 1600	Trotter 16"
TR 1800	Trotter 18"

### FEATURES

- Lightweight folding frame with closure strap that holds the chair shut when folded.
- Black machine washable fabric.
- Crash tested for transit. The Trotter has passed a dynamic crash test done with a 130 lb. front-facing occupant tested at 30 mph.
- Adjustable seat angle - 15° and 22°.
- Adjustable back angle - 85°, 90° and 95°.
- 8" front castors and 10" rear wheels with toggle lock.
- Adjustable seat depth.
- Positioning pelvic belt and five point "H" harness with padded strap covers. The reversible padded strap covers increase comfort one side is imitation lamb's wool and the other is velour.
- Swing-away footrests are independently adjustable and removable.

CODE	SEAT WIDTH	SEAT DEPTH	BACK HEIGHT	SEAT TO FLOOR	PRODUCT WEIGHT	WEIGHT CAPACITY

## HEADREST EXTENSION

Black nylon fabric Headrest Extension is width and height adjustable. It provides additional head support for taller users. Used on bus transit models to help prevent head whiplash during rear end collision.

## PADDED HEADREST WING

Height adjustable headrest wing provides lateral support for the head.

## UTILITY BAG

Zippered bag hooks on to the back of the Trotter mobility chair.

## UPPER EXTREMITY SUPPORT TRAY

Trays feature a safety lip and are easy to clean. Provides trunk stabilization and are great for feeding.

## FULL TORSO VEST

Adjustable vest provides support and maintains proper body posture and alignment. It replaces the "H" Harness.

## CANOPY

Height adjustable and removable canopy provides protection from sun or rain and includes a clear flap-covered observation panel.

## LATERAL SUPPORT & SCOLI STRAP

Adjustable and removable strap provides lateral support. It can be pulled to one side for Scoliosis correction.

## FOOT & ANKLE POSITIONER

Foot and ankle straps provide adjustable support and positioning.

## BUS TRANSIT TIE-DOWNS

Four tie-down brackets allow the Trotter to be used for transit.

TR 8029	Bus Transit Tie-Downs

*Designed with many features and specifications to cater for children and young adults.*

CODE	DESCRIPTION
L412DDA	12" Flip Back Removable Desk Arms
L414DDA	14" Flip Back Removable Desk Arms

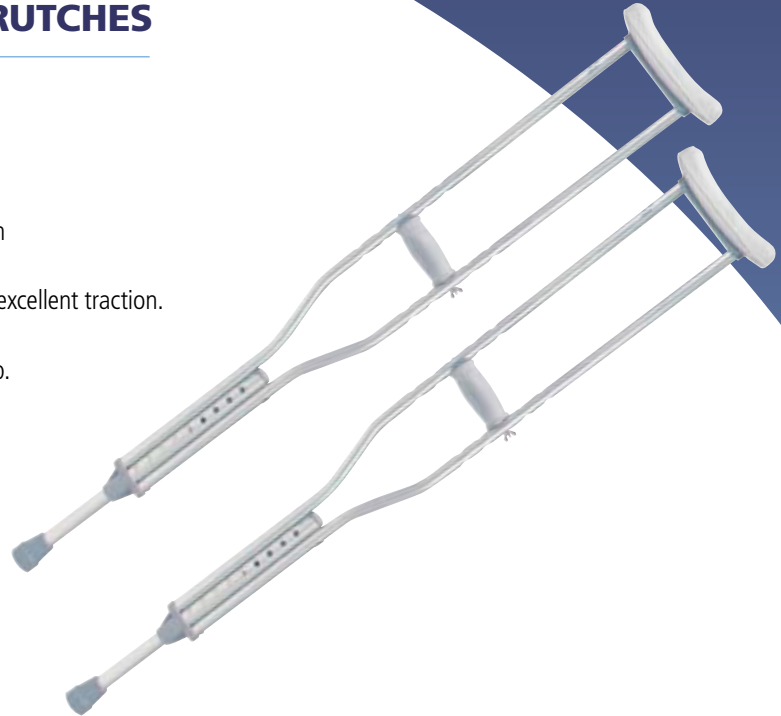

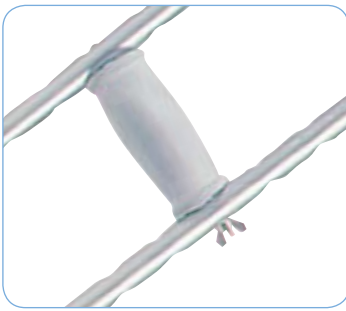

### FEATURES

- Viper weighs less than 32lbs (Excluding footrests).
- New frame style eliminates seat guides and allows for custom backs and accessories.
- Height adjustable back.
- Durable steel frame with an attractive, chip-proof, maintainable finish.
- Comes standard with "flip up" Anti-tippers with wheels.
- Aluminium composite front receiver is angled so the arm will lock into place every time.
- Durable, heavy gauge flame retardant nylon upholstery resists mildew and bacteria.
- Nylon, padded armrests provide added control.
- Flip-back arms allow for easy transfer.
- Composite Mag-style wheels with aluminium hand rims are lightweight and maintenance free.
- Precision sealed wheel bearings in front and rear ensure long lasting performance and reliability.
- Standard dual axle provides easy transition of seat height.
- Front castor forks are adjustable in 3 positions.
- Urethane rear tyres and castors offer superior performance, smoother ride and are lightweight.
- Colour: Black.
- Comes complete with swing away footrests.

## BARIATRIC ANTERIOR SAFETY WALKER

CODE	DESCRIPTION
CE 1000 XL	Bariatric, Black
CE OBESE XL	Bariatric, Black

### FEATURES

- Welded steel frame.
- Applying pressure to the handlebar activates braking mechanism. When brake is engaged, the brake stopper hits the wheel and the wheels cannot roll.
- Ideal for patients with limited hand function and/or limited cognizance.
- The Safety Roller halts in step with the patient and the braking mechanism automatically engages if patient stumbles.
- Height adjustable in 1" increments.
- Width adjustable.
- Adjustable brake spring tension.
- Patient is situated in the centre of the Safety Roller, which provides maximum support and improved posture.
- Skid resistant, non-marring, easy rolling neoprene wheels.
- Folds easily and stands on its own in the folded position.

## HIGH SEAT FIRESIDE CHAIRS

This traditional High Seat Chair range represents fantastic value for anyone who wants to make sitting a pleasure not a problem. Designed with the elderly in mind, the Restwell Range offers fireside elegance with excellent head, neck and lumbar support.

### COLOUR OPTIONS

- Hand built hardwood frame is beautifully compact and is ideal where space is at a premium.
- Polished solid hard knuckles and hand grips to help you rise easily and to minimise fabric wear on the traditionally upholstered arms.
- Available in a choice of sage or gold fabric.

### FEATURES

- Fine fillings ensure that you are nestled in comfort.
- All fabrics and foams meet the relevant UK Furniture and Fire Regulations.
- The chairs are available in a range of high quality fabrics and colours.
- The seat cushions are reversible for even wear and removable for easy cleaning.
- Built on the sturdiest of frames for maximum stability, represents an important safety feature.
- The range provides a choice of seat heights to help make sitting and rising as easy as possible.
- They will provide years of lasting comfort and support, with the highest standards in upholstery detail.
- The high back and elegant padded wings provide extra support, comfort and protection against draughts for the head, neck and shoulders.

# RISER & RECLINERS

UT009	Solid Scooter Tyres - 300-8 Size Tyre

# SCOOTER ACCESSORIES

## SCOOTER STORE

The scooter cover provides temporary or occasional storage protection for your scooter. It is lightweight and slips easily over a scooter, providing protection from rain, dust etc.

Available in two sizes. Grey only.

\* Any Scooter with a baseboard length of 57" or less.

\*\* Any Scooter with a baseboard length of 70" or less.

CODE	DESCRIPTION
2993	Scooter Store - Medium*
4443	Scooter Store - Large**

## POWERCHAIR / SCOOTER MATES

The Powerchair and Scooter Mates are made from heavy duty shower proof nylon with snug fitting hood which won't blow off in windy conditions, the elasticated cuffs prevent wind and rain seeping in, and neckline zip makes it easy to put on and take off. One size fits all.

The Scooter Mate is for use with all types of Scooter and the Powerchair Mate was designed exclusively for use with a Powered Wheelchair. Its draught free back panel fits the back of the chair and an elasticated hem prevents the cover from getting caught in the wheels and also reduces draughts. Velcro sealed slots allow easy access to the left or right hand controls.

Available in Blue or Maroon

CODE	DESCRIPTION
436	Powerchair Mate
319	Scooter Mate

## SCOOTER TILLER & BACK BAG

These very stylish bags have been developed to accompany larger scooters. They are made from showerproof nylon and can be easily secured to the scooter. The Scooter Back Bags compartments provide you with ample room for shopping and the Tiller Bag provides a safe place to store a few smaller items that you prefer to keep close to hand.

CODE	DESCRIPTION
5025	Scooter Tiller Bag
5026	Scooter Back Bag

## SCOOTER BAGS

These lightweight bags have been designed for ease of use and are made of strong showerproof nylon. The carrying handles and storage compartments ensure they are ideal for carrying shopping. The Saddlebag accommodates scooters with the headrest and the mini scooter Holdall is ideal for use with smaller scooters.

CODE	DESCRIPTION
5022	Scooter Bags - Saddle Bag
5023	Scooter Bags - Mini-Scooter Holdall

## SCOOTER CAPE

Keep you and your shopping dry with this easy to use Cape designed to fit all types of Scooter. Fully showerproof, easy to use with neckline zip, draught free with elasticated hem, snug fitting hood and clear panel at the front for maximum visibility.

The ultimate in Scooter protection!

CODE	DESCRIPTION
SC001	Scooter Cape - Royal Blue
SC004	Scooter Cape - Maroon

# SCOOTER ACCESSORIES

## SCOOTER SAFETY COAT

Be seen be safe!

This extra warm safety coat features an insulating fleece effect lining and hood for your convenience.

It features reflective strips so you can be seen by other road users easily.

CODE	DESCRIPTION
SCOAT	Scooter Safety Coat

## SCOOTER COVER

Great protection and warmth with a fully opening zip allowing you to mount and dismount your Scooter with ease. The cover is not enclosed at the bottom so your feet can straddle the centre wheel arch. A nylon skirt at the bottom protects your feet from the rain and elastic straps allow the cover to be used with most Scooters. Ideal for use in conjunction with the Scooter Mate for the best possible all round protection!

Colours Available: **ROYAL BLUE** or **MAROON**

CODE	DESCRIPTION
965	Scooter Cover - Standard (37" to 43" hip)
758	Scooter Cover - Large (44" to 49" hip)
594	Scooter Cover - X Large (50" to 56" hip)

## SCOOTER ACCESSORY PACK

Constructed from hard-wearing nylon, this 6 piece scooter pack is a must have accessory for both new and experienced scooter users. It is suitable for most scooters, including 8mph versions. The pack contains:

- Large Pannier Bag.
- Small Pannier Bag.
- Rear Storage Bag with Crutch Holders.
- Front Basket Cover.
- Outdoor Scooter Cover.
- Front Basket Liner Bag.
